Eggs, eggs, eggs, at Preston Park

By Lane Gwinn | THE TIMES

WAITSBURG — The Easter Bunny was back at Preston Park to hide eggs and give stuffed bunnies and ducks. The under-twelve egg hunters lined-up to wait for the city's siren to sound and star the hunt.

They were quick to snap up hidden treasures, loading their baskets, and outrunning parents.

DOMESTIC AIR TRAVEL WILL REQUIRE REAL ID STARTING MAY 7

By Lane Gwinn | THE TIMES

OLYMPIA — Starting May 7, 2025, Americans will need a REAL ID-compliant driver's license or another acceptable form of identification to board domestic flights. This requirement also applies to accessing certain federal facilities.

Congress passed the REAL ID Act in 2005, and states must create IDs requiring applicants to prove their identity and legal U.S. residency and have certain counterfeit-resistant features.

The Washington REAL ID is the Enhanced ID or Enhanced Driver's License. It is not mandatory to change to either; other forms of ID comply with the REAL ID Act, including U.S. Military ID, a Permanent Resident Card, and U.S. passports and passport cards.

If you are 18 and older and plan to travel domestically by air this summer, you will want to be sure the T.S.A. will accept your ID to avoid delays.

Washington residents can apply for an EDL by providing an approved document for residency, including a U.S. passport, passport card, U.S. birth, citizenship, or naturalization certificate. Identity documents include a valid driver's license, government employee, or military ID.

Proof of address requires two documents from a long list of approved documents, including a driver's license, utility bills, bank statements, vehicle registration, and a Washington Voter card.

For more information about Washington's REAL ID requirements, visit <https://realidwa.com>.

FOOD, BOOKS FOR CHILDREN DONATIONS INCREASE FOR WELL FED, WELL READ CAMPAIGN

THE TIMES

OLYMPIA — Washington state employees increased their non-perishable food, books, and money donations for the Well Fed, Well Read campaign during the 2025 Washington State Combined Fund Drive.

The Combined Fund Drive is a Washington state workplace giving program for active and retired public employees to give to the charity of their choice through payroll contributions and agency fundraising events. It is an Office of the Secretary of State program.

The campaign ran from April 1 – 15, and state employees donated more than 2,908 pounds of food, 6,901 children's books, and \$1,935 to benefit the Thurston County Food Bank and the South Sound Reading Foundation. Robert Lane, CFD program manager, said the totals for food and books are nearly double what was donated last year.

"I am proud that my office coordinates and participates in a program that benefits so many people with an emphasis on benefitting children," said Secretary of State Steve Hobbs. "One child in five is unsure where they will get their next meal, and reading just 20 minutes a day for a child promotes healthy brain development and family bonding. With the needs of our children growing in these unprecedented times, this drive for food and books is as important as ever."

The Well Fed, Well Read campaign is an annual food and book drive that brings thousands of food items, books, and monetary donations from state agencies across Washington. State agencies have a friendly competition to see which one will donate and collect the most during early April.

Dayton School Board modifies education plan to address costs

Some elementary students got free swim lessons at the Walla Walla Y

By Justin Jaech | THE TIMES

DAYTON — The Dayton School Board met at 5:30 p.m. on April 16, 2025. Superintendent Jeremy Wheatley, the Board Chair Jeffrey McCowen, and board members Aneasha Dieu, Grant Griffin, Pat Davidson, and Ryan Paulson were present.

The board approved the consent agenda, including a \$1,500 grant from Skyline Adventures to buy ski clothes for the fourth and fifth-grade ski program. Three overnight FFA trips were approved in the agenda for the State Convention in Pullman, the National Convention in Indianapolis, and an FFA Officer training in Asotin.

The board consent agenda approved a treadmill donated by Puget Sound Energy and a monetary gift to the girls basketball program from the Columbia County Conservatives.

In Wheatley's report, he said he was disappointed over funding and policy moves out of the state legislature and would monitor potential changes to minimize impact on the district.

Wheatley said the school sent a group of elementary students to the Walla Walla Y for swim lessons. A second group was scheduled and he will evaluate the experience to determine whether to have lessons next year. The Friends of the Dayton Pool paid for transportation, and the Y provided free lessons so there was no cost to the district. The program allows students to learn basic swimming skills before a public pool is available in Dayton.

Wheatley said the FFA plant sale will take place at the high school from April 29 to May 1, 2025.

Scholarship night is scheduled for June 5 and graduation on June 7, 2025.

Dieu asked about the district's bid process and the upper limit for bid-less contracts. Wheatley said up to \$40,000 was an informal process, \$40,000 to \$75,000 was a hybrid with some regulations, and over \$75,000 must comply with the formal bid process.

Dieu said the district should hire engineers to provide specifications for projects requiring bids. Once the bids come in, the school board should open them and select the lowest bidder. The board debated and discussed best contracting practices.

The board discussed Resolution 20247-04 to modify the Dayton School District's education plan after reduced income and increased staffing costs created a financial emergency. The resolution identified declining participation and enrollment negatively impacts the districts precarious financial position.

The resolution would adopt a programmatic reduction of three FTE K-12 certificated staff, depending on current staff certification and endorsements, and the reduction of one classified staff position. The resolution allows the administration to identify needed reductions and which personnel would be involved. The resolution is available to read at <https://tinyurl.com/2s3pf2nk>.

Wheatley said the district should hope for the best but plan for the worst. The board approved the resolution unanimously. The meeting ended at 7:21 p.m.

USDA OFFERS FARM LOANS FOR BEGINNING FARMERS

THE TIMES

SPOKANE VALLEY, WASH. — The U.S. Department of Agriculture’s Farm Service Agency offers farm ownership and farm operating loans to beginning farmers and ranchers. Beginning farmers and ranchers who cannot obtain commercial credit from a bank can apply for FSA direct or guaranteed loans.

Qualified beginning farmers, are individuals or entities that meet the eligibility requirements for direct or guaranteed loans. Individuals and all entity members must have operated a farm for less than 10 years. They must materially or substantially participate in the operation. For farm ownership, the applicant must not own a farm greater than thirty percent of the average-sized farm in the county at the time of application.

All direct farm ownership applicants must have participated in the business operations of a farm for at least three out of 10 years before the date of submission to the FSA. Substitute qualifications are available for up to the full three years of experience based on education, military experience, participation with a SCORE mentor, and hired farm management experience. Local FSA offices can provide more details on acceptable substitutions.

Direct loans are made by the FSA. Guaranteed loans are made by lending institutions that arrange for FSA to guarantee the loan. FSA can guarantee up to 95% of the loss of principal and interest on a loan. The FSA guarantee allows lenders to make agricultural credit available to producers who do not meet the lender’s standard underwriting criteria.

The direct and guaranteed loan program offers two types of loans: farm ownership loans and farm operating loans.

Farm ownership loan funds may be used to purchase or enlarge a farm or ranch, purchase easements, build or improve buildings, and pay closing costs.

Farm operating loan funds may be used to purchase livestock, poultry, farm equipment, fertilizer, and other materials necessary to operate a farm. They can also be used for expenses including, family living, refinancing, farm laborer salaries, and improvements.

For more information on FSA’s farm loan programs and beginning farmer guidelines, please contact your local FSA office or visit farmers.gov.

Nominated students must be in good academic standing at their school and may win the award once during any given academic year.

“Isaias Reyes is a versatile leader for Waitsburg, contributing at multiple positions this season, including catcher, center field, shortstop, and closing pitcher, said WIAA. “Through four games, he has tallied 13 stolen bases, six RBIs, and struck out just once in 17 at-bats. A Silver Slugger Award recipient as a freshman and a 1st Team All-League nominee as a sophomore, he is also the only student in school history to hit a home run in each of his first three seasons.”

CARDINAL VARSITY BASEBALL DOUBLEHEADERS AND JV GAME AGAINST M-F

By Karen Huwe | THE TIMES

WAITSBURG — Waitsburg Cardinals had a busy week of baseball with games on Monday, Wednesday, Thursday, and Friday. They split with Walla Walla Valley Academy (WWVA), won both games of the doubleheader against Colton, lost a junior varsity game at Milton-Freewater, and then dropped both games of a doubleheader against Dayton.

The Cardinals had a tough game against WWVA, which had decent hitting, and the Cardinals lost 24-6. Jarod Hankins went 3 for 3 at bat in game one and had three RBIs.

In the second game of the doubleheader, Cardinals Isa Reyes hit a two-run home run, giving his team the momentum needed to secure the win.

Two position players took the mound for the first time this season against WWVA: Trace Nesje in the first game, and JJ Gleason pitched for the win, 10-6 in the second.

At Wednesday’s doubleheader against Colton in Waitsburg, Isaac Mahre started on the mound for the Cardinals. Mahre had consistent pitches, the defense was aggressive, and there was strong batting and baserunning. The Cardinals won 13-3, ending the game after five innings due to the ten-run rule.

Colton came on strong in the second game of the

doubleheader. Cardinal defensive errors kept the Wildcats in the lead most of the game. In the bottom of the seventh, with two outs and runners on second and third base, JJ Gleason drew a walk. During the commotion, Landon Henry stole home base, giving the Cardinals a 17-16 win.

“The junior varsity game against Milton-Freewater on Thursday, April 17, was a great learning experience and a good chance for the players to hone their skills. Cougar Anderson hit a massive triple to dead center,” said Coach Joe Greer. “Ryan Meyer started on the mound, and our first baseman Rollin Carpenter tried his hand at pitching and did an excellent job. He was able to get the team out of a jam. Overall, they played well in the 11-2 loss.”

Waitsburg lost both doubleheader games to Dayton 10-2 and 15-1 on April 18. No information was provided.

Lambert has volunteered at the Milton-Freewater livestock show since she was five, and as an FFA member, she showed sheep and goats at the local fairs while in high school.

Lambert has been a Waitsburg student since kindergarten. She is now in her second year at SEATech Skills Center, where she studies

Lambert's favorite memory at Waitsburg is Mrs. Groom's ASB Leadership class.

Mylie Jones

Mylie Jones smiles as she says that being autistic gives her the strength to do things that she would not have tried. "It is my superpower," said Jones.

Jones lives in Dixie and began attending Waitsburg High School for her freshman year. She has been involved in cheerleading, volleyball, and softball. She is currently the ASB secretary and has volunteered at the concession stand and the Amazing Shake haunted house. She loves to dance and took les-

sons from age five to ten. Jones used her experience to volunteer at her church during Vacation Bible School as a dance leader.

Jones plans to attend Walla Walla Community College after graduation to receive her Associate of Arts Degree. She would like to work as a

paralegal. Making and giving friendship bracelets to the senior volleyball players when she was a freshman is a fond memory of Jones. She appreciated the kindness of senior Megan Forney.

Cooper Selph

Cooper Selph has attended Waitsburg Schools since kindergarten. After a full day of classes at WHS, he goes home to do chores and to care for his uncle.

Selph will be a full-time caretaker for his uncle after graduation. He plans on enrolling in training classes, including CPR, to become a qualified caregiver.

This October, Selph volunteered to play a scary clown at the Amazing Shake's haunted house fundraiser, helping raise \$1,100. His favorite memories from his years at WHS were "hanging out with friends in class."

Alyssa Hollingsworth

Alyssa Hollingsworth has enjoyed an extensive list of activities while attending school at Waitsburg since preschool.

She has been a leader while playing volleyball, basketball, and track. Hollingsworth has been an officer in FFA for three years and is currently president. Outside of school, Hollingsworth volunteers at Dayton American Legion Auxiliary events and has been a junior member for six years. She has been in Girl Scouts for thirteen years and a program aide for seven years. As a 4-H member, she has been a junior leader and a camp counselor. Hollingsworth was named Counselor in Training in 2023 and Counselor of the Year in 2024.

Hollingsworth takes two classes at WHS, is a teacher's aide for one class, and then attends Walla Walla

Community College's running start program in the afternoon. After graduation, she will continue at WWCC to receive her Associate of Arts in Communication and then transfer to Eastern Washington University to earn a Bachelor of Education degree.

Hollingsworth has been a lifeguard at Prescott's pool for the last two summers. After graduation, she plans to spend her summer traveling Europe before classes start in the fall.

Practices and bus rides as a team member of the Wolfpack sports and FFA are Hollingsworth's best memories of WHS.
