WCC HOSTS TWO ESSENTIAL CIVIC MEETINGS IN WAITSBURG

By Lane Gwinn | THE TIMES

WAITSBURG — The Waitsburg Commercial Club is hosting two meetings on Thursday, June 26. At noon, the club will hold its monthly meeting at Ten Ton Studios, 216 Main St. in Waitsburg. The meeting will include a public information presentation regarding the August 5, 2025, ballot measure proposing a two-tenths of 1% sales tax to support critical public safety services in the county.

The open session will offer the public an opportunity to learn about how the tax revenue would fund the modernization and sustainability of WW County's emergency services.

Later that evening at 6 p.m., the commercial club will host the three Port of Walla Walla Commissioners and port staff for their monthly commissioners meeting at Waitsburg City Hall. The club invites the public to attend the meeting to learn about port projects, ask questions, and offer public comment.

The Waitsburg Commercial Club hosts informational meetings on various topics to encourage residents to make their voices heard through informed voting. Both meetings on Thursday are open to the public at no cost.

Patriot Parade & Flag Dedication at Bruce Museum

By Lane Gwinn | THE TIMES

WAITSBURG — On July 4th, the Waitsburg Historical Society will dedicate a new flag at the Bruce Museum and invites the public to join the celebration. The free event will follow Waitsburg's Patriots Parade starting in front of Banner Bank and ending at the museum's lawn.

The Patriots Parade started in 2011, when Laurette McCaw challenged her husband Jack McCaw and the late Tom Baker to carry a United States flag down Main Street on the 4th of July, wearing shorts. John and Marilyn Stellwagen sweetened the deal by providing free hotdogs for a potluck after the parade. The original "parade committee" was surprised by how many locals turned out to see Tom and Jack in their shorts. People came out on scooters, carts and bikes to join the "parade," while bystanders lined the sidewalks. It was, after all, a proper parade.

This year, the Historical Society and the American Legion Auxiliary encourage residents to decorate their bikes, carts, wear red, white, and blue, shorts, or their uniforms and join the Patriots Parade. No registration is required, just line up in the Banner Bank parking lot at 11:45 am on Friday, the 4th.

The parade will travel down Main Street to the front lawn at the Bruce Museum. The American Legion Auxiliary will present and dedicate a new American flag, flagpole, and plaque to the Waitsburg Historical Society at the corner of Main and 4th Street. This will be followed by a free community lunch of hot dogs, salads, watermelon, with iced tea and water, sponsored by the American Legion Auxiliary. Tables and chairs will be provided.

For dessert, the historical society will offer novelty ice creams for \$2, with proceeds supporting the museum. Bring a patriotic spirit and enjoy this fun event with your family and friends in downtown Waitsburg on Friday, July 4th, starting at noon.

DSD Board discussed student cell phone policy

By Justin Jaech | THE TIMES

DAYTON – The Dayton School Board held its June 18, 2025, meeting at the high school library at 6:30 p.m.

Superintendent Jeremy Wheatley, Board Chair Jeffrey McCowen, directors Grant Griffin and Ryan Paulson were present in the library. Aneesha Dieu joined the meeting on Zoom, and Pat Davidson did not attend.

The board approved the consent agenda, which included hiring Jamie Trump as the high school assistant volleyball coach, Cody Chapman as the high school head football coach, Joe Howard as the middle school girls' basketball head coach, and Ajay McNarland as the high school head golf coach. Additionally, Athletic Director Sam Korslund will volunteer as the high school football assistant coach.

Staff members departing include HS Cheer Coach Brianna Collier, HS Head Football Coach Lucas Collier, and Mike McGhan as the HS golf coach. Elementary Teacher Angela Kenney and school bus driver Jason Griffin are also leaving their positions.

Principal Amy Cox presented highlights of the school year and ideas for the upcoming year. Cox said she will focus on the Bulldog BRAVE program in the secondary school after seeing its effectiveness at the elementary school.

Superintendent Wheatley presented a survey from students who left the Dayton School District. Twenty-three students transitioned to online learning, twenty-two enrolled in the Waitsburg School District, and eighteen moved to the Walla Walla district. Most students transferred to take advantage of educational programs not available in Dayton, although many reasons for transferring were cited in the survey.

"We did not renew the contract with our current counselor. We anticipate support of some kind, but want to evaluate our needs and provide support as needed, which could be full-time, part-time, or contracted support via an outside agency. We will evaluate counseling support in August," said Wheatley.

Only one teacher was let go due to budget-driven staff reductions. Retirements and transfers have kept reductions to a minimum.

The board conducted a first reading of Policy 3245 concerning students use of telecommunication devices. In a significant departure from past policy, the district aims to essentially ban the use of cellular phones and Bluetooth-connected devices on campus during the regular school day. Students would not be allowed to use their phones or have them visible during the school day, except in the event of an emergency or with the prior approval of a school administrator. This rule would include lunchtime and breaks during school hours. A medical exemption would be available.

The district found that phones and connected devices are a distraction to learning. In Washington State, the Department of Education encourages districts to develop policies to limit cell phone use, stating, "Reducing the use of cellphones in class improves concentration and learning, improves mental and physical health, and reduces pressures caused by social media."

Student cellphone use in the district was implicated as a factor in a majority of disciplinary problems. Wheatley said it was a matter of keeping kids safe.

The board ruminated on the issue, including a suggestion for more parental input before finalizing the policy. Ultimately, the board passed the policy unanimously on its first reading.

Also approved by unanimous vote was the irrigation bid awarded to Palmer Land Works, a budget extension, the following year's fee schedule, and the new employment contract for the K-12 Principal.

There was no executive session, and the meeting was adjourned at 8:15 p.m.

One said, “A caper made with all the intricacy of a Rube Goldberg machine, “The Phoenixian Scheme” doesn’t deviate from Wes Anderson’s increasingly ornate style but delivers the formula with mannered delicacy.”

The audience rated the film slightly lower, at 70%. One reviewer said, “I love Wes Anderson movies so much because of the quirkiness of his stories. They are genuinely so unique and different, but it is so hard not to get caught up in the stories and become invested in the story.” Rated: PG-13 for violent content, bloody images, some sexual material, nude images, and smoking throughout. Runtime is 101 minutes.

WAITSBURG CITY COUNCIL

By Lane Gwinn | THE TIMES

WAITSBURG — The Waitsburg City Council met on Wednesday, June 18, 2025, at City Hall. Mayor Marty Dunn, council members Jillian Henze, Jim Romine, Kevin House, Court Ruppenthal, Jennifer Bishop, and City Administrator Randy Hinchliffe were present.

In public comment, the board heard from Joy Smith, who shared news that Sherwood Trust had provided \$173,000 for Common Roots Housing to purchase two Waitsburg parcels.

Waitsburg Parks and Recreation Commissioner Wendy Carter informed the board that the district is putting a levy on the November General Election Ballot. The proposed rate is \$0.89 per \$1,000 in assessed property value and expected to raise an estimated \$200,000 annually. The district would use the funds to operate and maintain the facility. However, if passed, it will allow the district to potentially receive state capital budget funds for the construction of the pool.

Richards presented the schedule for Parks and Recreation summer sports camps. The active skill-building programs include skateboarding, pickleball, cheer, soccer, and fly fishing. Richards said the district plans to increase the age limits and make the activ-

Abby Grende provided a Celebration Days Committee update, including the receipt of a Warren Grant to install a gravel lot at the fairgrounds.

Hinchliffe asked Walla Walla Sheriff Mark Cridler to provide information on law enforcement options to handle a squatter. Cridler suggested the city work with its attorney.

After the meeting, Hinchliffe told “The Times” that, “The house is now owned by the originating bank, which is responsible for seeing the squatter is removed.”

Before the sheriff left, he spoke about the upcoming ballot measure to increase the county’s sales tax to fund emergency services, specifically to improve the dispatch system. The county’s 911 call service, WESTCOM, was

relocated to a temporary facility in 1997 when the county and the cities of Walla Walla and College Place consolidated services. The equipment and facility are in critical need of being updated and secured.

Louie Gagnon asked that the city consider repairing or replacing the water fountain at Preston Park. The mayor asked Randy to work with Jim Lynch on the issue.

In new business, Councilmember Jillian Henze was presented with an Advanced Certificate of Municipal Leadership by Association of Washington Cities Vice President Fred Blink. The certificate recognizes elected officials who continue to strive for excellence by attending conferences and training, serving their community, and developing leadership skills. Henze is the first Waitsburg council member to earn the distinction.

The council held a public hearing before unanimously approving Resolution 2025-791 to accept revisions and updates to the Six-Year Transportation Improvement Program.

The final payment for the Harmon Street Sidewalk Project was approved.

In old business, the council unanimously approved Ordinance 2025-1095 to update the Waitsburg municipal code to add lifetime dog licenses to the annual permit.

The next meeting will be July 16, 2025, at 7 p.m. at the Waitsburg City Hall.

Coaches and players leave for football camp at Elgin, Oregon.

Cardinals at 8-man summer football camp

By Karen Huwe | THE TIMES

WAITSBURG — Waitsburg High School football coaches, Gabe and Dane Kiefel, took seventeen players to an 8-man football camp in Elgin, Oregon. The Eastern Oregon University camp took place from June 15 to June 18.

The Cardinals had both a varsity and a junior varsity squad competing in 5-on-5 scrimmages, a passing league where players wear helmets but no pads. They also had 8-on-8 scrimmages with full pads.

Coach Gabe Kiefel said the teams did well throwing and catching the ball, running routes, and covering the routes on defense in the 5-man passing league. By the end of camp, the 8-man scrimmages were going smoothly.

There were eighteen teams from Washington, Oregon, Idaho, and one from California at the camp. Athletes from Dayton High School joined with four players from Union to form a team for the competition.

Kiefel said spending evenings sharing meals and playing games helped bond the Cardinal team. Teams camped in tents on the grassy area around the university’s track.

Kiefel told the boys that the football camp was where they could practice new things and find effective combinations to help the team hit the ground running in the fall. He said the players were committed to improving, and their commitment is starting to show. Kiefel said he cannot wait for this team to take-off.

Attending camp were seniors: Jared Hankins, Tucker Hamilton, Victor Whitmore, Isa Reyes, Martin Vasquez, and Kyle Lindsey. Juniors JJ Gleason, Landen Henry, and Isaac Mahre. Sophomores Bryer Paul and Camdyn Vories. Freshmen Jake Lynch, Uriah York, and Liam Kiefel. Eighth graders Mitchell Hays, Abel Creely, and Arrow Groom.

OBITUARY

Bill Hinchliffe

May 25, 1926 – June 19, 2025

Bill Hinchliffe was born on May 25, 1926, to William and Olive Hinchliffe on the family ranch in Kahlotus, Washington. He grew up helping his family farm 1,800 acres of dry wheat land alongside his parents and his five older sisters. Bill attended elementary school in Kahlotus in the close-knit community that molded his early years.

During his 7th-grade year, Bill’s family faced a significant change when his mother passed away, and they sold their cherished farm. He then moved with his father to the small town of Waitsburg, Washington.

In 1943, as he approached his senior year of high school at the age of 17, he felt the call to serve his country and registered for the Navy. He found himself at the US Naval Training Station in Farragut, Idaho, embarking on a journey that would shape his future.

After completing basic training, Bill was assigned to Bremerton and then to the Fletcher Destroyer, the USS Hart (DD-594). It was aboard this ship that he served as a radioman, diligently deciphering and copying critical codes. Throughout his years of service, Bill demonstrated remarkable dedication and resilience, confronting the challenges of military life with a strong sense of duty and courage. He served in the Pacific Theatre during key battles at Iwo Jima and Okinawa.

When the war ended, Bill married his sweetheart, Frances Mae Foster, sealing their bond on December 18, 1948, in Dayton. The couple moved to Cheney, WA, where Bill studied education, and Frances pursued music, playing for dances to support the family. After graduating in 1950, Bill took his first teaching job in Washtucna, where he taught for two years before taking a year off to run the Grain Growers of Washtucna. During the summers, Bill continued to pursue his education earning his master’s degree and principal’s credentials from Eastern Washington University (EWU).

They started their family in 1954 with the birth

first principal of Tapteal Elementary School in West Richland. He retired in 1981, having spent a total of 31 years in education.

After retirement, Bill embraced a new chapter as a crop adjuster for a few years. Bill and Frances returned to Waitsburg in 1990. One of their most cherished passions was growing asparagus that he delighted in sharing with friends and neighbors. Bill and Frances’s love story unfolded over an incredible 68 years together until Frances sadly passed away in 2016.

Family was the heartbeat of Bill’s life; he cherished every moment spent in the mountains with his friends and family at the cabin he lovingly built on the South Touchet. Bill found beauty in nature, joy in bird hunting, fishing, and gathering with friends and family. His enthusiasm for storytelling around the campfire was infectious.

Bill enjoyed community service and was an outstanding educator, earning numerous honors and awards for his contributions throughout his lifetime. He served as Vice President of the Eastern Washington University (EWU) Alumni Association in 1966 and 1967 and as President in 1968 and 1969. He was also the past President of the Washington Education Association (WEA). Additionally, Bill dedicated his time to his community as a volunteer firefighter, a member of the Waitsburg City Council, and an Elder at the Waitsburg Presbyterian Church. He held the position of President of the Ambulance Board and was involved with the Lions Club, Elks Club, VFW, and the Commercial Club of Waitsburg. In his lat-

er years, Bill served as a Docent Guide at the Wilson Phillips House, where he led tours and educated visitors about the history of the Spanish-American War. In recognition of his exceptional service to children and the community, May 25, 1982, was proclaimed Bill Hinchliffe Day by Dan Rosier, Mayor of West Richland. Bill is also listed in the book “Who’s Who in American Education.”

Although Bill achieved many remarkable milestones, his family’s love always remained his top priority. He shared an extraordinary bond with his sisters and their families.

Bill took immense pride in his son, Dean, and his athletic abilities. He attended every game, always in the stands to cheer him on during baseball games. They enjoyed playing catch, hunting, fishing, and discussing sports.

Bill also had a deep connection with his daughter, Cheryl, and held her husband, Mike, in high regard. His heart overflowed with joy for his granddaughters, Sarah and Mikayla. He eagerly took them to the cabin and attended all their basketball games, swim meets, and school events, truly relishing each celebration of their accomplishments.

In 2020, Bill returned to the Tri-Cities, where he was welcomed by his daughter, Cheryl, and son-in-law, Mike Steberl, of Kennewick. Bill lived a fulfilling life and passed away peacefully on June 19, 2025, at the remarkable age of 99, surrounded by family and friends.

Graveside services will be held on Friday, June 27th at 2 p.m. at the Waitsburg Cemetery on 8th Street. Celebration of Life will take place immediately following at the Waitsburg Town Hall. Corbeill Funeral Home of Dayton, WA has been entrusted with arrangements.

Bill leaves behind a legacy of love, generosity, and kindness, along with many special memories to cherish. He is survived by his son, Raymond Dean Hinchliffe of Richland; his daughter, Cheryl, and son-in-law, Mike Steberl of Kennewick; granddaughters Sarah Steberl (Rory Eskeli) of West Richland and Mikayla Steberl (Izzy Aleman) of Las Vegas; great-granddaughter Ava Eskeli; great-grandson Owen Eskeli; and many beloved nieces and nephews.

The family extends their heartfelt gratitude to the Walla Walla VA, Elizabeth Eaton-Gamsby, Samantha Hayes, Special friends Debbie Duran, Terra Newbrough, Tri Cities Chaplaincy and the many Home Instead caregivers, friends and family who supported us all through this journey. A pod picker has been designed by Thomas E. Kirk of Waitsburg, which is a moving type of comb seed gatherer which picks the pods off the pea vines, leaving the vines in the field. Mr. Kirk has been working on the machine for 6 ½ years, having started a model in 1943, and building a small model later. The inventor believes that the machine shows definite possibilities and performed better than he anticipated for the first run.

Fireworks are prohibited in the City of Waitsburg except on July 3, 4, and 5. The ordinance states that fireworks can neither be sold or used within the city limits except during these three days, and that skyrockets, Roman candles and Dago bombs are prohibited because of danger and fire hazards.

NOTICE OF PROPOSED RATE CHANGE

Para más información en cómo este cambio impactará su factura, llame al 888-225-2611.

Pacific Power remains dedicated to delivering safe, reliable, affordable power now and for years to come.

We recognize the impact that price increases have on our customers. As we make needed investments in our system and navigate economic trends, we will continue to take measures to keep our rates low and to capture savings for our customers.

On May 30, 2025, Pacific Power submitted an advice filing with the Washington Utilities and Transportation Commission (Commission) to increase Schedule 191, System Benefits Charge (SBC), to recover the increasing costs associated with providing energy efficiency services and programs to customers. If approved, this proposed change will result in an overall net increase to Washington customers of approximately 1.3%, effective August 1, 2025. A typical residential customer using approximately 1,200 kWh per month would see a bill impact of \$1.79 per month.

On June 13, 2025, Pacific Power submitted its annual Power Cost Adjustment Mechanism (PCAM) filing, which reconciles the actual costs of power and the production tax credits of renewable energy with the baseline estimated costs and tax credits included in rates. Under the mechanism, if the power cost difference adds up to over \$17 million, a surcharge or sur-credit is put in place to collect or refund the difference. Pacific Power exceeded this \$17m threshold for costs in 2024, due to coal fuel supply constraints, high energy and fuel prices, the conversion of two units at Jim Bridger from coal to natural gas, decommissioning of hydro facilities on the Klamath River, and an extreme weather event. If approved, this year's PCAM filing will result in an overall net increase of approximately 10.0%, effective October 1, 2025. A typical residential customer using 1,200 kilowatt-hours per month would see a bill increase of \$15.77 per month.

On June 16, 2025, Pacific Power submitted its annual decoupling filing, which accounts for differences between allowed and actual revenue. If approved, the proposed changes will result in an overall net rate increase of approximately 2.6%, effective September 1, 2025. Residential Service (Schedule 16/17/19) would see an increase of 4.6%, Small General Service (Schedule 24) customers would see an increase of 4.7%, and Agricultural Pumping Service (Schedule 40) would see a decrease of 1.4%. A typical residential customer using 1,200 kilowatt-hours per month would see a bill increase of \$6.31 per month.

SUMMARY OF PROPOSED RATE CHANGES

If approved, these three filings will result in a net increase of \$72.4 million, or 13.9%, and the following percentage price changes by rate schedule.

Schedules	SBC Rates Effective 8/1/25	Decoupling Effective 9/1/25	PCAM Effective 10/1/25	Total of All Proposed Changes
Residential (Sch.16-19)	1.3%	4.6%	9.1%	15.0%
General – Small (Sch.24)	1.3%	4.7%	9.3%	15.3%
General – Medium (Sch.36,29)	1.3%	(0.0%)	10.5%	11.8%
General – Large (Sch.47T,48T)	1.2%	-	11.1%	12.3%
Ag. Pumping (Sch.40)	1.3%	(1.4%)	10.1%	10.0%
Lighting (Sch.15,S1-54)	1.3%	-	7.9%	9.2%
Total (All Schs.)	1.3%	2.6%	10.0%	13.9%

EFFECT ON RESIDENTIAL CUSTOMERS

If approved, residential customers with the following usage levels will see the following net billings*:

kWh per Month	Monthly \$ per	Present	SBC Effective 8/1	Decoupling Effective 9/1	PCAM Effective 10/1
1,000	kWh	\$0.14	\$0.14	\$0.15	\$0.16

1,200	kWh	\$0.14	\$0.14	\$0.15	\$0.16

1,500	Bill	\$206.98	\$209.21	\$217.10	\$236.81
